## PROFILE

I'm a 3rd-year student at Faculty of Information Technology, Czech Technical University in Prague, currently on an exchange at NTU Singapore. My portfolio consists of projects written in Java, C++, Spring Framework and database projects. These projects are a part of my studies and personal interests. I'm always looking for new opportunities to learn and grow in the field of software engineering. In 2026 I will graduate from CTU and I'm looking for a job in the field of software engineering as well as help with my bachelor thesis.
